Professional Summary

Creative and results-driven Frontend Developer and UI/UX Designer. Specializing in translating complex imaginations into high-performance, user-centric digital solutions. With **1+ years of intense experience**, I excel at building scalable, responsive websites (e-commerce, corporate) and ensuring clean code quality. Proven ability to maximize user engagement and seamlessly bridge the gap between design and functionality.

Core Skills

Category	Skills
Frontend Languages	HTML5, CSS3, Bootstrap5, JavaScript (ES6+), Responsive Design (Mobile-First), React
Designs	Figma, Canva, Stitch
Framework	React js, Bootstrap 5, Tailwind CSS
Tools & Platforms	Git, GitHub, Visual Studio Code, Vercel
Soft Skills	Collaboration, Problem-Solving, Attention to Detail, Time Management, Understanding

Key Projects & Experience

E-commerce Platform

- Developed a fully functional, sleek, and responsive e-commerce platform using **[HTML, CSS, JavaScript/React]**.

- Engineered key UI features including product filtering, shopping cart logic, and a multi-step checkout flow.
- **Result:** Focused on optimizing the user journey for conversion, demonstrating strong architecture for future scalability.

Construction Services Website

- Delivered a professional, dynamic corporate website designed to build client trust and facilitate business inquiries.
- Implemented a custom quote request system and a clean, responsive layout across all device sizes.
- **Result:** Successfully created a robust online presence capable of handling client communication and showcasing diverse services.

Personal Portfolio Website

- Architected and deployed a highly customized, visually consistent, and performant portfolio website, serving as the primary demonstration of combined Frontend and UI/UX expertise.
- Showcase my brilliant works and proper execution of real-world problem solving.

Education

[Alex Ekwueme Federal University Ndufu-Alike Ikwo] | B.Sc. in Computer Science - **[Lagos - Nigeria]**

- **G.P.A : 4.3%**
- **Group Project Leader (2025 - Present)**
